

I noticed when the *Baka and Test* and *Dance in the Vampire Bund* streams were found to be open to UK users that **FUNi**  
**mation**

have unlocked quite a few other shows for us - I had planned on going through and drawing up a list, but others have beaten me to it. Thanks for the hard work, guys. :) Here's the full list, which includes a number of shows that as yet aren't available in the UK by other means:
